**Intelligent  
Healthcare**

# Pharmacy / Dispensary

## Antimicrobial Case

Devices in a hospital come into contact with both caregivers and patients, raising concerns about hygiene. Our products feature naturally antimicrobial surfaces that inhibit the growth of harmful microbes. They can be easily sanitized with cleansing alcohol, ensuring device cleanliness without any risk of damage.

Our Suggestion:

[CWM408MPA](#) / [CWM408MPA-NFC](#)

## Streamlined Healthcare Operations

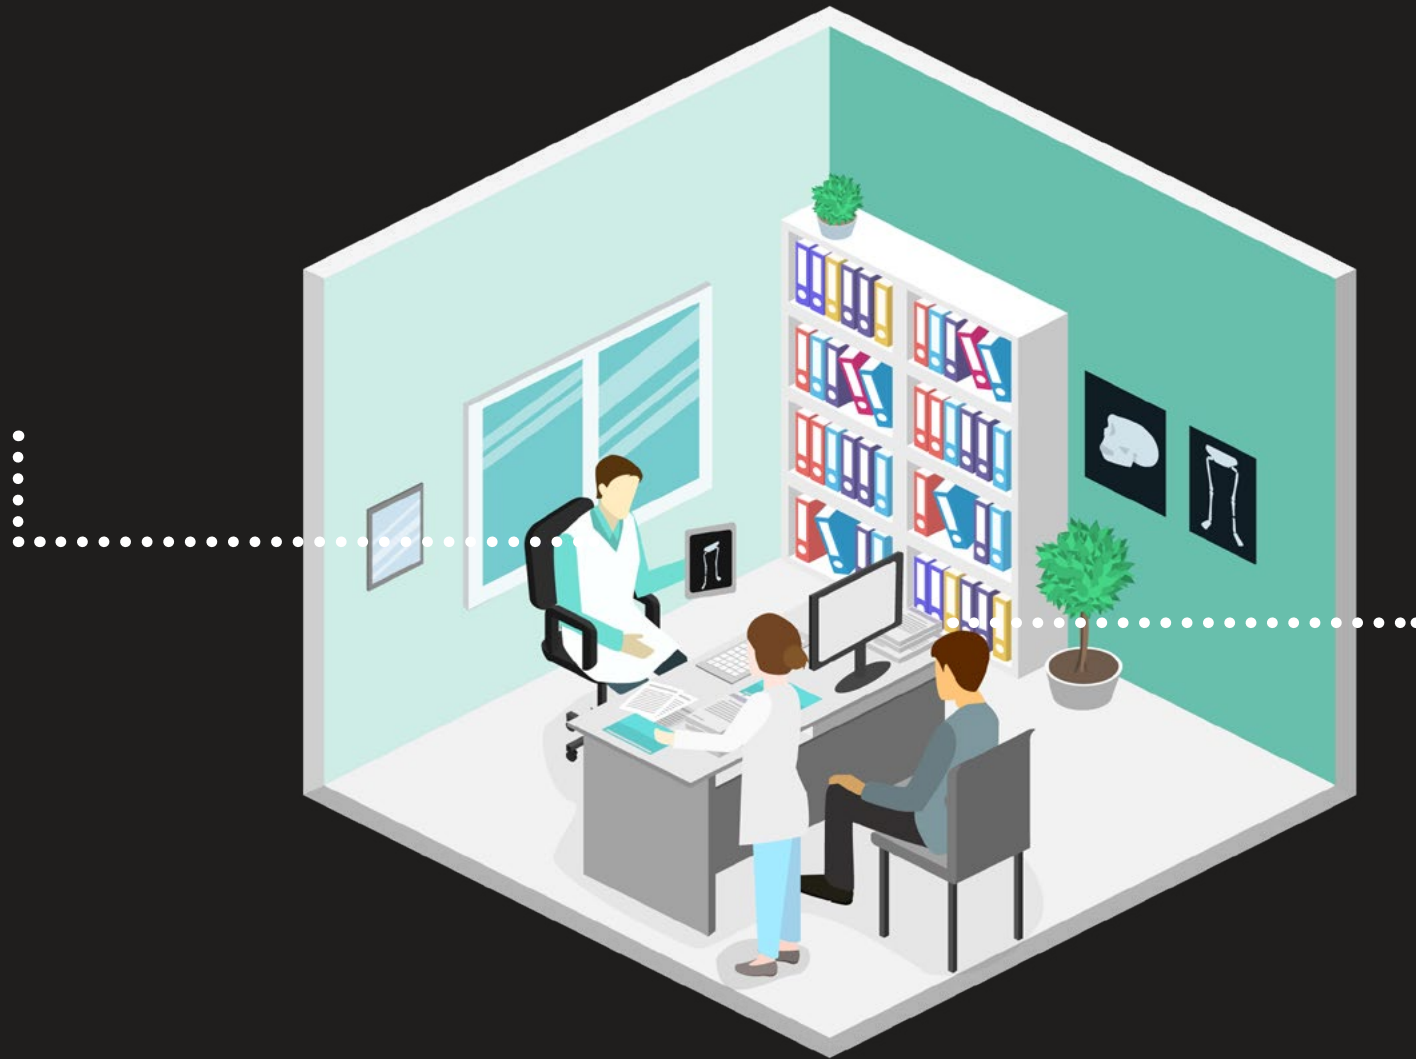

Patient check-in tablet with rugged case have the ability to accomplish far more than registration tasks. This assists with the streamlining of administrative tasks throughout the entire facility, from medical billing to doctor-patient interaction and everything in between.

Our Suggestion:

[CWM404MP](#) / [CWA655MH](#) /  
[CWM331MP](#) / [CWM344MP](#)/  
[MMU111](#)

# Outpatient Department (OPD)

## **Convenient Practitioners**

An adjustable hand strap and a rotating multi-angle kickstand allow hospital practitioners the flexibility they need to get the job done.

Our Suggestion:

[CWM408MPA](#) / [CWM408MPA-NFC](#)

## Digital Medical Records

Kiosks provide patients to review their record quickly. Moreover, the locking system keeps tablets protected from theft in public areas.

Our Suggestion:

[KAA112W](#) / [KAA722W](#) / [KAM412W](#) /  
[KAS302W](#) / [KAM502W](#)

# Dental Clinic

## Healthcare Mobility

AgileGo provides a versatile and efficient solution for patient care, allowing healthcare practitioners to have the accessibility of a tablet while on the go.

Our Suggestion:

[RVU101](#) / [RMU101](#) / [RGX102](#) /  
[CWM408MPA](#) / [KMX311W](#)

## Enhanced Communication Solutions

By combining the MagConnect Mount with the tablet case, it offers dental solutions that enhance communication between dentists and patients.

Our Suggestion:

[MMU102](#) / [CWA302MP](#) /  
[CWA652MP](#) / [CWM404MP](#)

# Ward

## Smart Patient Rooms

The electronic bedside card has a positive impact on patient care quality, data security, and work efficiency, effectively addressing the challenges faced by healthcare facilities in their digitalization needs.

Our Suggestion:

[OPK026 \(OEM\) / OPK005 \(OEM\)](#)

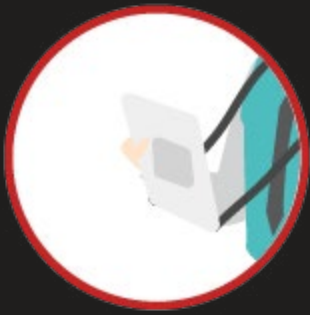

## Streamlined Patient Data Management

Nurses can access medical records, patient history, and medication information without limitation, enhancing patient and medication management capabilities, while also effectively protecting patient privacy rights.

Our Suggestion:

[MMU103](#) / [MMU116](#) / [CWM344MP](#) / [CWA655MH](#) / [CWM404MP](#)

## Remote Care

The use of shoulder straps provides the possibility for healthcare workers to engage in telemedicine and have real-time monitoring of patients' conditions.

Our Suggestion:

[CWA652MP](#) / [CWX202](#) /  
[CWA302MP](#) / [CWM344MP](#) /  
[CWA655MH](#)

# Laboratory

## Access Control System Monitoring

The On-Wall Mount Kiosk enhances staff access control and monitors activities, ensuring the protection of valuable research results and sensitive information against theft.

Our Suggestion:

[KAA114W](#) / [KAM504W](#) /  
[KAA724W](#) / [KAS304W](#)

## Research Control

Kiosks can assist researchers in efficiently monitoring and controlling the research process and results.

Our Suggestion:

[KAA113W](#) / [KAM503W](#) / [KAM413W](#) / [KAA723W](#)

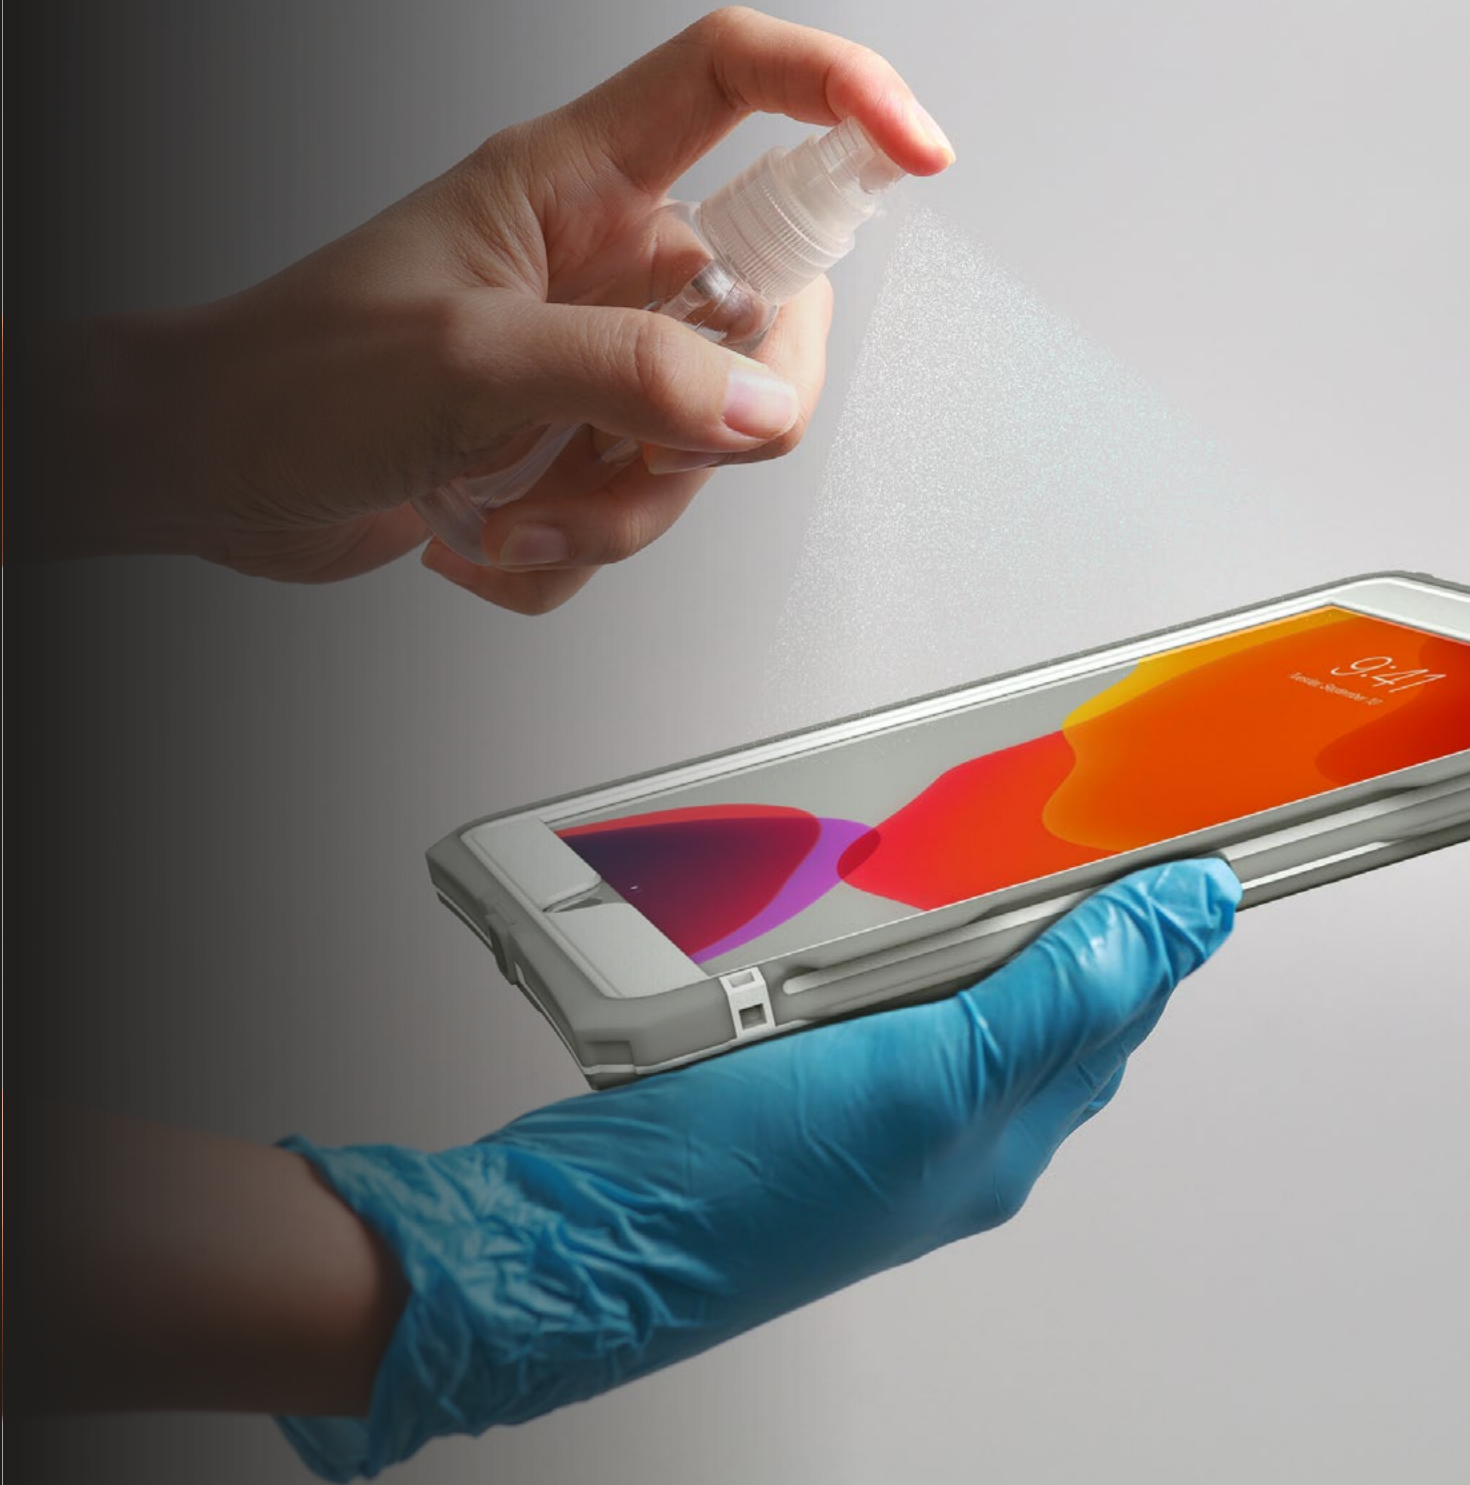

## Enhanced Research Productivity

Our cases are designed for easy cleaning and can be safely sanitized with cleansing alcohol, ensuring the devices remain undamaged. This feature allows researchers to concentrate on their work and enhance their results.

Our Suggestion:

[CWA635MHW](#) / [CWA655MH](#) /  
[CWM404MP](#)

# Emergency Room (ER)

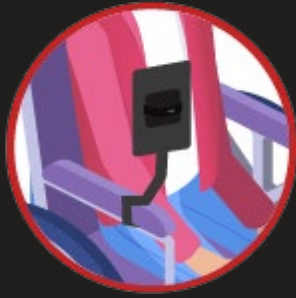

## Mounting System in Ambulances

During transit, the MagConnect Wall | Counter Mount ensures that the tablet is positioned exactly where it's needed, granting ER personnel full visibility. This allows them to prepare for emergency situations and fully comprehend the situation at hand.

Our Suggestion:

[MMU104](#) / [CWA652MP](#) /  
[CWA302MP](#) / [MMU332](#) / [MMU330](#)

## Improve Patient Care

The MagConnect Mount can be attached to a wheelchair, allowing patients to easily communicate with medical staff, whether they are within the hospital or at home. Additionally, it can be easily adjusted in height, direction, and angle to accommodate each patient's specific requirements.

Our Suggestion:

[MMU109](#) / [CWM344MP](#) /  
[CWA655MH](#) / [CWA302MP](#)

## CWM408MPA

### Product Information

CWM408MPA is military-grade certified and waterproof case is infused with IonPure®, an antimicrobial agent, to help prevent against bacteria and mold growth. This revolutionary case is compatible with medical-grade wipes to uphold the safety regulations of healthcare and hospital environments.

- 
- Compatible with Surface Go3 | Go 2 | Go.
  - Infused with antimicrobial IonPure® agent to prevent against bacteria and mold growth.
  - Military-grade shockproof (MIL-STD-810G) and waterproof (IP68) certified.
  - ThermoDefend heat-dissipating proprietary technology to maintain device performance slot.
  - Antimicrobial aXtion VESA MPA Module with a MagConnect plate, adjustable hand strap, and rotating kickstand for multi-angle display and positioning.
  - Hands-free mobility with optional Universal Shoulder Strap.

## CWM408MPA-NFC

### Product Information

aXtion Pro MPA NFC is a specially designed case to create a multi-purpose tablet solution for the healthcare industry. This antimicrobial solution is equipped with an NFC range extender. With accurate NFC readability the case fits seamlessly in any healthcare setting.

- 
- Compatible with Surface Go 3 | Go 2 | Go.
  - Features NFC range extender ensuring a clear read with each scan.
  - Infused with antimicrobial IonPure® agent to prevent against bacteria and mold growth.
  - Tested and approved for use with hospital-grade wipes: Sani-Cloth AF3, Cavi-Wipes, Clorox Healthcare Bleach Germicidal Wipes, and Oxivir TB.
  - Military-grade shockproof (MIL-STD-810G) and waterproof (IP68) certified.
  - Protective features include: built-in heavy duty screen and camera lens protectors; port and button covers; security lock slot.
  - Antimicrobial aXtion VESA MPA Module with a MagConnect plate, adjustable hand strap, and rotating kickstand for multi-angle display and positioning.
  - Hands-free mobility with optional Universal Shoulder Strap.

## CWM404MP

### Product Information

Ultra-slim, Rugged and MagConnect compatible case with clear transparent back featuring a silicone hand strap and rotating kickstand and carrying handle.

---

- Designed for Surface Go 3 | Go 2 | Go.

- Compatible with all MagConnect mounts.

- Military-grade (MIL-STD-810H) and water-resistant (IP54) certifications.

- Easy to clean with approved sanitation wipes.

- Features include: built-in screen and camera lens protectors, port and button covers.

- Built-in 360-degree rotating hand strap and kickstand.

- Slim profile perfect for charging carts.

- For mobile users, the case has a hand strap and can be paired with an optional Universal Shoulder Strap (sold separately).

- Accessory port for optional customizable enablement solutions like credit card reader holder.

## CWA655MH

### Product Information

The aXtion Slim MH is a rugged, waterproof case for mobile workers in industrial settings. Slim profile, transparent back, screen protector, and port/button covers offer durability and convenience. Empower your mobile workforce in any environment.

---

- Compatible with iPad 10.9" 10th Gen.

- Compatible with all MagConnect mounts.

- Military-grade (MIL-STD-810H) and waterproof (IP68) certifications.

- Features include: built-in screen and camera lens protectors, port and button covers, Touch ID compatibility.

- For mobile users, the case has a hand strap and can be paired with an optional Universal Shoulder Strap.

- Compatible with Apple Pencil 1st Gen.

## CWM331MP

### Product Information

aXtion Edge+ MP is a certified rugged case designed for industrial use, offering certified drop protection for the Surface Pro 8. With reinforced corners for durability, it seamlessly connects to the MagConnect HD tablet mounting system, allowing for hands-free use in any work environments.

---

- Designed for Surface Pro 8.

- Lightweight and rugged with reinforced corners for military grade shockproof certification (MIL-STD-810H).

- Other protective features include; screen protector, button and port covers.

- Adjustable hand strap and rotating non-slip kickstand for multi-angle display and positioning.

- MagConnect compatible for quick and easy attachment and detachment with any MagConnect mount.

- Compatible with Surface Type Cover with straps at two corners to keep cover securely closed.

- Hands-free mobility with optional Universal Shoulder Strap.

## CWM344MP

### Product Information

This rugged case is designed to protect businesses' tablets but not sacrificing mobility and ease of use. Built with an adjustable hand strap and rotating multi-angle kickstand, allowing users the flexibility they need to get the job done.

---

- Designed for Surface Pro 9.

- Lightweight and rugged with reinforced corners for military grade shockproof certification (MIL-STD-810H).

- Adjustable hand strap and rotating non-slip kickstand for multi-angle display and positioning.

- MagConnect compatible for quick and easy attachment and detachment with any MagConnect mount.

- Compatible with Microsoft Surface Pro Type Cover with straps at two corners to keep cover securely closed.

- Hands-free mobility with optional Universal Shoulder Strap and Collapsible Sun Visor.

## MMU111

### Product Information

Pair your device with the Desk Stand Mount to experience ergonomic convenience. The mounts spherical ball joints and sturdy carbon fiber arm easily fold up for easy transport.

---

- Weighted base offsets the weight of the device allowing for multi-angle positioning.

- Built with spherical ball joints and a lightweight carbon fiber arm for near-infinite angle adjustment.

- Features MagConnect magnetic technology for quick mounting and dismounting.

## CWM408MPA
